English Ladder

ENGLISH COMPREHENSION, WRITING & GRAMMAR COURSE

An integrated English programme
teaching children how to USE English

CORE SKILLS

SYSTEMATIC STRUCTURE

English Ladder is a powerful programme that progressively improves children's English through an incredibly structured and transparent programme. It empowers children with the right skills to make clear and tangible improvements.

Course Objectives:

- Systematically improves English language
- Improves grammar
- Develops critical thinking through comprehension
- Significantly enhances quality of writing

Course Features:

- Immediate one to one feedback ensure 100% understanding
- Simple but powerful writing plan that helps students generate their writing
- Structured modules allow progressive and clear improvement
- Grammar and writing topics are aligned to local school syllabus
- Covers all key skills: reading, writing, listening, speaking, grammar and comprehension
- Reading and comprehension are aligned to international levels (Fountas & Pinnel, Reading Recovery, DRA)

Quality Assurance:

- Strong educational focus, structured curriculum
- Regular parent update
- Qualified, experienced, certified native English teachers
- Teachers trained by Oxford University Press to deliver Oxford courses
- Oxford course teachers supervised and monitored by Oxford University Press, receiving ongoing training and support
